Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Date :2004-7-1. In order to meet the new curriculum standards for the nine-three-year junior high school textbooks (revised version) to use, we deliberately wrote this New Junior Classical decipher. Book with new material, based on Protestant participation, and making it into one organic whole. Written by decipher text, knowledge classification of two parts. Decipher text contains the problem solution, the author (works) profile, decipher, with a total solution of four. Problem solution is the interpretation of the main title, introduced the background. Author (work) brief introduction the author focuses on the thoughts and works of historical value. The total solution is the sum ideological and artistic texts. To decipher the text is focused, for the translation, notes and commentaries. In brackets before the table notes, after the table commentaries, of which a small note in brackets, we have a negative attitude. Knowledge classification is involved in lexical texts, syntax, and so to summarize, summarized. This part of the classical test questions from the calendar year in the selection of Writing Column, will help candidates to understand test content and practice points. This book not only focus on classical lexical, syntactic classical explanations, but also pay attention to the chapter structure of the article, thought content, writing to explain the characteristics and strive to make a classical readers do not understand, read the book, too, can learn the translation of classical, read classical teaching junior high school. The book also note that the absorption of new scientific research, to take one hundred of the director, very strict on the translation, the more successful solution to the master that the flip, front object....
